

Randee Pelletier

Hello everyone and thank you for attending the North Country Charter Academy Graduation.

My name is Randee Pelletier. I attended the Lancaster site for two and half years. I came to charter during my 9th grade year and finished two and half years later. I then moved on to becoming a licensed nursing assistant in March of 2013.

Unfortunately, I wasn't able to function in a normal school setting. I had been bullied and thought, "What's the point of going to school anyways." I was having a horrible time. I thought about dropping out or home schoolings. My parents thought it would be a great idea to check into charter, so I did. I went for an interview and before I knew it, I had the bus driver honking the horn to pick me up.

Finally, a new beginning!

I was about to give up on my dreams until I started attending North Country Charter Academy. Mr. Kelly, Mrs. Ryder and Mr. K, are great people! They treat you with respect, they actually listen to what you have to say and they help you in anyway they can. Each of them is special in their own way and I would like to say thanks for making my dreams come true!

I wish everyone had the chance I did.

Mostly importantly, I would like to thank my family and friends. I could go on and on and tell a story about each of you and how much you each have positively impacted my life, but if I did that we would be here for days.

Mom and Dad, thank you for putting up with me over the years. Times have been rough, but it's you two that have made me the person I am today. Without your love and support, I'm not sure where I would be. Thank you for helping me overcome many obstacles and tribulations. I love you so much!

Finally, thank you to everyone that has helped make this possible for me.

Congratulatioos to the Class of 2013, we did it!!
