"There is no drama! You come in, do your work, and leave! Most of all, I like the teachers and the way they interact with the students...how much they actually care!!!!"

Information Specific to North Country Charter Academy

Background

NCCA was established in 2004 through collaborative efforts of North Country Education Services Agency and nine School District Superintendents.

Mission Statement

To provide a learning environment for students who would benefit from a nontraditional high school setting. Students who are, or may be, at risk of dropping out will be provided an educational setting in which they can succeed in their pursuit of a high school diploma.

The Charter Academy staff works collaboratively with all students, parents, North Country Charter Academy Board of Trustee members, North Country high school principals, superintendents, guidance counselors and other educational team members of all sending districts. The above named educational team will also work together to see to it that the North Country Charter Academy students are given the opportunity to thrive academically, socially, emotionally and physically, both today and in the future.

Enrollment Process

Eligibility:

- X Between the ages 14 – 21
- X Enrolled in a grade between 7 and 12
- X STUDENT and PARENT must demonstrate commitment
- X High school dropout
- X At risk of dropping out of high school

Referral:

- X Referral from school district, if presently enrolled in school.

Interview:

- X All students must go through an intake interview.

Diploma Options:

- X Sending School District Diploma
- X North Country Charter Academy Diploma

If interested, please call (603) 444-1535 for referral information.

Academics:

Upon acceptance into the Academy, student records from the sending school district are reviewed. Academic assessments are given during the first week of class. From this data, an individual learning plan (ILP) is established to address credit requirements. Each center offers students either a morning or afternoon session depending on availability.

➔ **Littleton:** 8:00 a.m. to 11:00 a.m. or 11:00 a.m. to 2:00 p.m.

➔ **Lancaster:** 8:30 a.m. to 11:30 a.m. or 11:30 a.m. to 2:30 p.m.

Extended Learning Elective Program (ELE):

Each student has the option to participate and complete an extended learning elective while in attendance at NCCA. The extended learning elective gives the student an opportunity to acquire elective credits in the classroom or outside the classroom in order to meet the needs of student with different talents, interests, and development.
