

Students have had the opportunity to work with the NH Fish and Game Department on some of their projects. Below are photos from a couple of these occasions.

Fall 2011
Roger Hall and Taylor Caron
"Counting Fish"

"TJ" Patten

Spring 2012
"Scaling Fish"

"Johnathan Bangs"

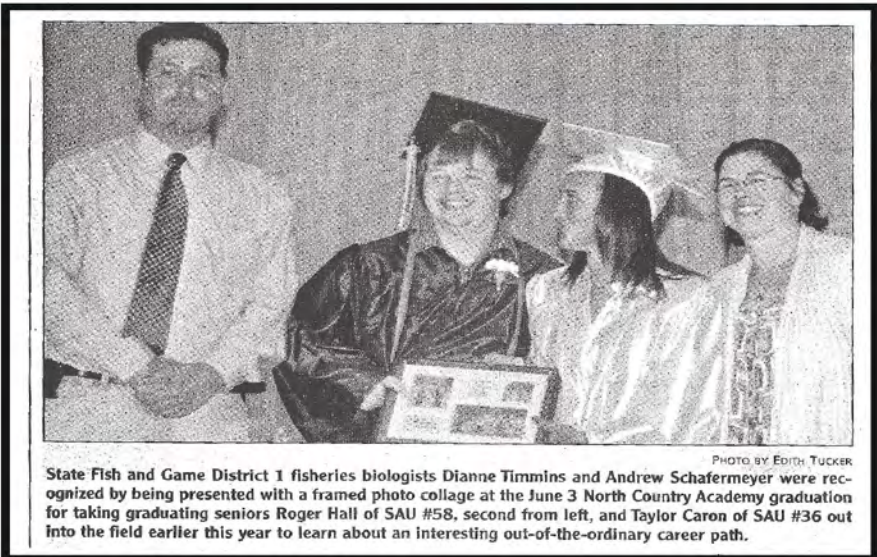

PHOTO BY EORTH TUCKER
State Fish and Game District 1 fisheries biologists Dianne Timmins and Andrew Schafermeyer were recognized by being presented with a framed photo collage at the June 3 North Country Academy graduation for taking graduating seniors Roger Hall of SAU #58, second from left, and Taylor Caron of SAU #36 into the field earlier this year to learn about an interesting out-of-the-ordinary career path.
